

Pioneer Park Pollution Patrol May 17, 2003

A group of children and volunteers came together in the snow and cold to clean up at the Pioneer Park Swimming Pool, and plant new flowers for the summer. This group worked very hard with no complaints, and enjoyed a pizza from Klondike's after the work was done.

A partnership of Lifespan Respite of Union County, Powerful Tools for Caregivers, Oregon Now, and The City of La Grande. Thanks to Klondike's for the donation of the party pizza, and to all the participants.
